INDIA'S LARGEST QUALITY MANUFACTURER

ABOUT

RAJESH GLOBAL

Rajesh Silver Pvt Ltd. India's Number One Choice for Sterling Silver Jewelry

Rajesh Silver Pvt Ltd. is a manufacturer and a wholesaler of sterling silver jewelry. Our offices and factory are located in India.

The Company was established in 1970 with less than 10 employees and has grown to become one of India's leading manufacturers and distributors of high quality, affordable jewelry. We design and manufacture a full range of silver earrings, ear studs, rings, charms, beads, pendants, necklaces, bracelets and all types of children's jewelry.

VISION & MISSION

PASSION STATEMENT

To make everyone & everyone's life Beautiful with attractive designs through the way of Jewels & Articles and to make them secured with right investment.

Dear customers, in the Jewellery Business.. even if the nature of working of everyone among us is different what all we should do are the conscious efforts to take the Jewellery Business at the height of its excellence! At Rajesh Silver Pvt Ltd. we have started this journey 4 decades back itself! In future, we expect co-operation & support from you to bring this dream to reality.

OUR STRENGTHS

Rajesh Silver Pvt Ltd. is rapidly gaining market share and has established a strong business relationship with some of the world's leading silver jewelry retailers and wholesalers. We manufacture according to market demand, and provide quality products at an unbeatable price. Our international sales and marketing team is multilingual, which enables us to communicate efficiently with clients all over the World.

Rajesh Silver Pvt Ltd. specializes in quality light weight sterling silver jewelry enhanced with crystals, cubic zirconia and semi-precious accents. We have also become proficient in combining pearls, beads, cord, silk and leather enabling us to manufacture a much larger product range.

We use only the highest grade raw materials, including 925 Sterling Silver, Surgical Stainless Steel, Swarovski & Preciosa Crystals and AAA Grade CZ stones. This combined with our modern manufacturing processes ensures our clients receive quality without compromise.

Rajesh Silver Pvt Ltd. is built on foundation that takes complete custody of trust and create trends. Rajesh Silver Pvt Ltd. prides itself in being the mirror that reflects design in every nuance and emotion.

The jewelry industry is driven by constantly changing tastes and new trends, and at Rajesh Silver Pvt Ltd. We understand this. Our team of designers provides us with a constant stream of new ideas that allow us and our clients to stay ahead of the game. We pride ourselves on our original and innovative designs.

Rajesh Silver Pvt Ltd. is a one stop shop catering to the wholesale sterling silver jewelry market. We make our clients life easy by taking care of their orders from the initial design, right up until it reaches their doorsteps. If a client needs our products under their own brand then no problem; if they need the jewelry packed on their own cards, we can take care of it.

GROWTH AND ACHIEVEMENTS
