WHO WE ARE

“The secret of business is not just doing deals, business is having creativity with quality products that provides a tremendous service to customers.”

Rajesh group of companies has 48 years of experience in jewellery business. We are majorly deals in Rice, Pulses, Spices, Tea, Pulp, Jewellery, Food, Fruits, Chemicals and Textile. We focus on Quality, Quantity, Variety, Accuracy, Services and Relation. We are built with a strong team that works with enthusiasm and courage to fulfil the on-going traditions of our company. Our products are the best in the industry, as they are specially manufactured as per international and national quality management standards.

We are one of the most sought after entity in the industry. To ensure utmost satisfaction to the buyers, we make sure that the delivery schedule is properly maintained. We are excited to spread India's product,

RICE

We bring in extremely deliciously range of Indian Rice. Rice being staple food of India is produced at very large quantity all around the country. We choose best quality among them for you. Our aromatic rice is very tasteful and rich in fragrance. Our rice is apt for preparation of myriad of delectable cuisines. And when it comes to most famous wholesale basmati rice suppliers we are far ahead of others dealing in the same business. We are one of the most renowned broken rice exporters from India.

Pulses

India is one of the largest producer of pulses with quality and one of the important food crops globally due to higher protein content. We bring high quality, hygienically packaged pulses with different size. We choose finest quality pulses from India and spread across Europe. We offer Toor Dal, Moong Dal, Chana Dal, Chick Peas, Kala Chana, Masoor Dal, Brown Lentils, Kidney bean, Urad Dal, black eye peas.

Spices

India is heaven of exotic spices and has attracted countries of the globe for centuries and even wars have been fought for them. India coveted position in the world of quality spices still stands unchallenged. Other countries have tried to replicate Indian spices even though they could produce spices, the distinctness of quality of Indian spices remains gloriously unreplicated.

Tea

India is the top tea producer in the world, producing as many as 1 billion kilograms of tea each year. It is the fourth largest in tea exports. Offering Indian tea is our culture which build the strong relationship. Rajesh global created special bond with customers with finest quality tea.

Mango Pulp

Our company is counted as the foremost exporters of premium quality Alphonso Mango Pulp. These are processed using premium quality mango under the most hygienic conditions. Offered product is available in various packaging options to meet the diverse needs of the clients. Our clients can avail fresh Alphonso Mango Pulp at industry leading prices.

Mango Pulp is made from selected varieties of fresh mango fruit. Fully matured Mangoes are harvested, quickly transported to the fruit processing plant, inspected and washed. Selected high quality fruits go to the controlled ripening chambers fully ripened mango fruits are then washed, blanched, pulped, deseeded, centrifuged, homogenized, concentrated when required, thermally processed and aseptically filled maintaining commercial sterility.
